European Supply
Chain Forum

An aerial night photograph of the TU/e campus in Eindhoven. The image shows several modern buildings with illuminated windows, surrounded by trees and city lights in the background. A semi-transparent red rectangular overlay covers the bottom half of the image, serving as a background for the title and author information.

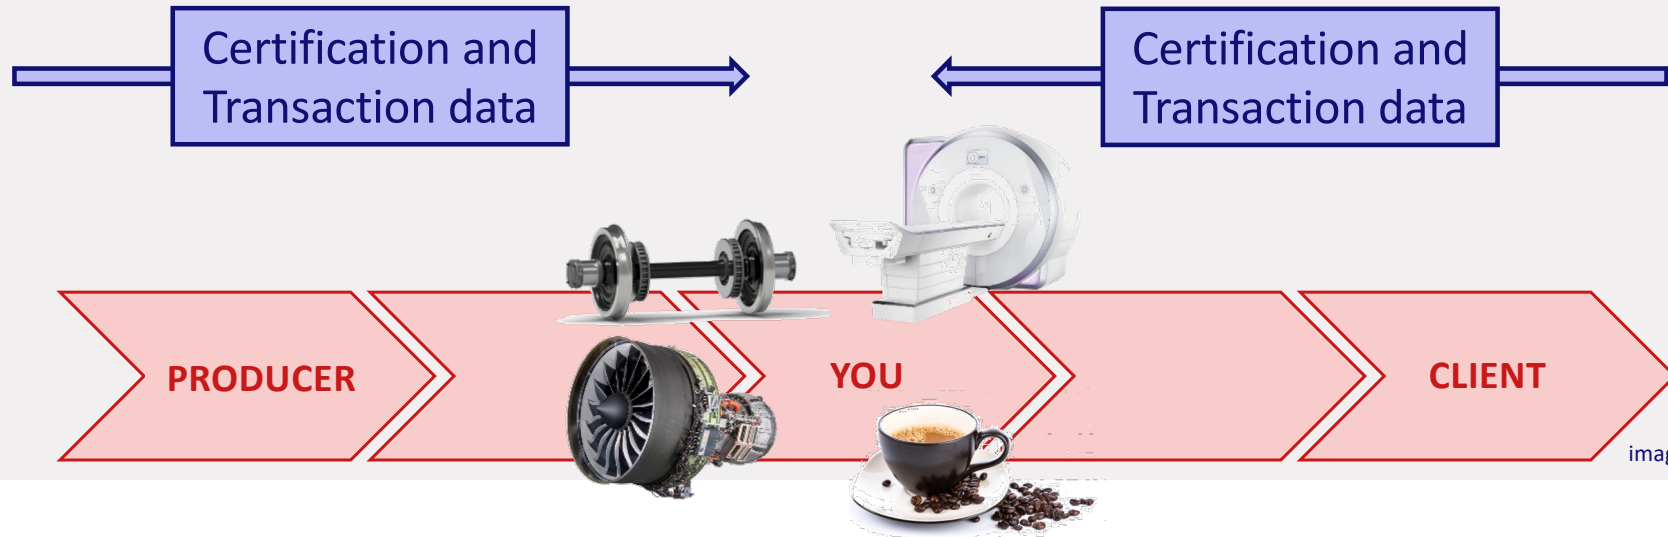

Improved Traceability of Parts and Products

Remco Dijkman

Industrial Engineering and Innovation Sciences

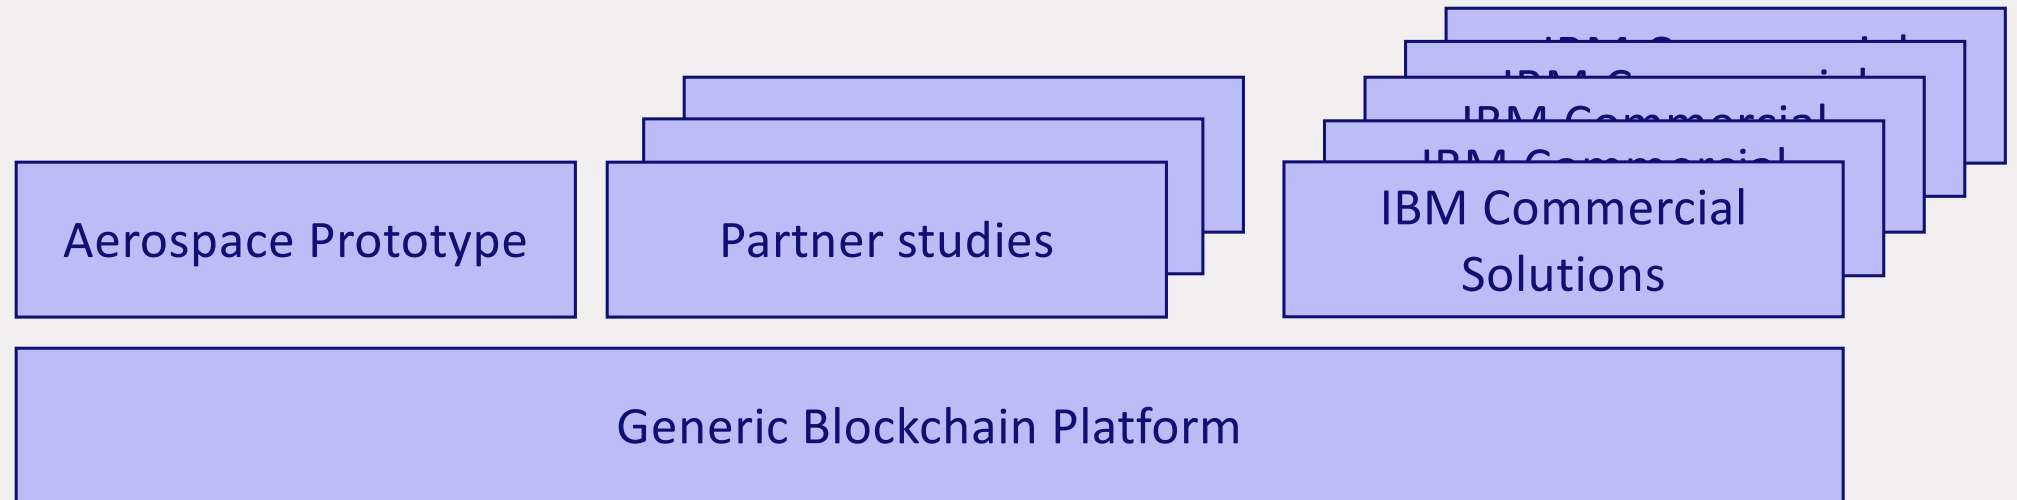

Traceability

- Is this part certified for use in this product?
- Which customers have components from this series?
- Has the product always been handled according to regulations?
- ...
